

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

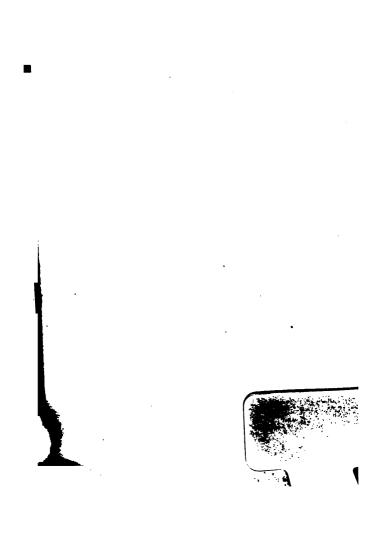

We also ask that you:

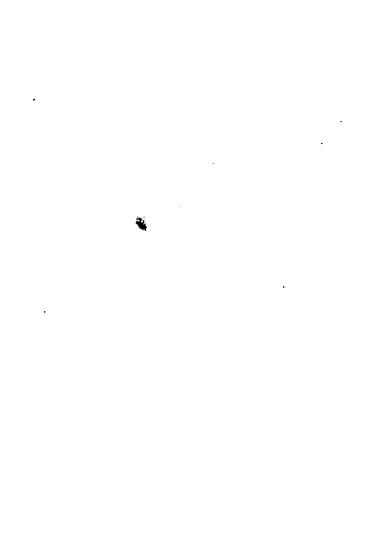

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + Refrain from automated querying Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

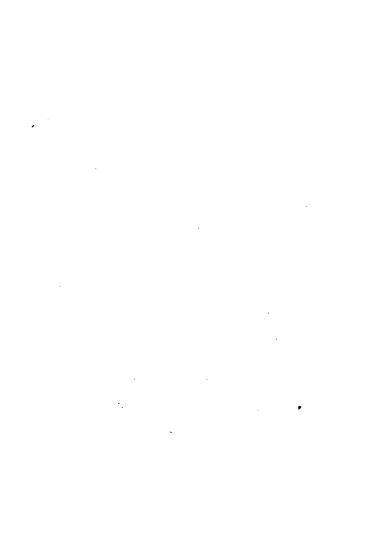

#### **About Google Book Search**

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at http://books.google.com/

# ROCKLIFF & SON'S CORN TABLES.

# ENGLISH, AMERICAN AND GENERAL

# CORN TABLES,

SHEWING THE VALUE, FREE ON BOARD,

OF

FLOUR, WHEAT, INDIAN CORN, INDIAN MEAL AND RYE FLOUR;

ALSO,

THE VALUE, COST AND FREIGHT,

OF

WHEAT, OATS AND BARLEY,

IF SHIPPED IN IRELAND;

AND OTHER USEFUL TABLES.

LIVERPOOL:

PRINTED BY ROCKLIFF AND SON,
50, CASTLE STREET.

1856.

181. C. 77.

In the following Tables of American Flour, Wheat and Indian Corn, the customary shipping charges are included, so that, to ascertain the cost, free on board, the Shippers' Commission has only to be added. It should be remembered, that there is generally a loss in weight of  $\frac{1}{2}$  per cent to 1 per cent.

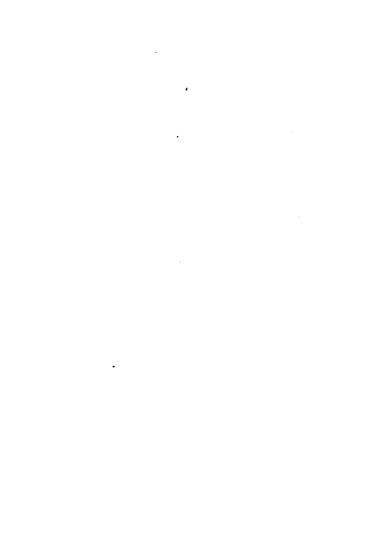

The duty and landing charges, if sold ex ship, may be considered about 2s 6d per quarter on Wheat and Indian Corn, and 1s 6d per barrel on Flour, Indian Corn Meal, and Rye Flour.

The Wheat Tables give the cost per quarter of 480 lbs. only; but a Table will be found at Page 52, showing the comparative prices per 480 lbs. and 70 lbs.

The Flour Tables may be used to ascertain the cost of Indian Corn Meal and Rye Flour, they being sold in barrels of 196 lbs. each.

Wheat, Oats and Barley being sold in London and elsewhere, by measure and not weight, the Tables at Pages 60, 72 and 73, will be found useful.

Tables will also be found showing the cost, including freight, of Wheat, Oats and Barley, when purchased, free on board, in Ireland.

# Foreign Corn Measures, with their equivalents in Imperial Quarters.

Anclam ......... last=14 grs. Alexandria ..... 1 ardeb=5 Winchester bushels: 100 ardebs=63 grs Wheat, 65 grs. Beans. Antwerp ......1015 kilos=2240 lbs. Ancona ......1041 rubbeu=100 qrs. Archangel .....see Odessa. Barth. .....see Anclam. Bremen ......20 scheffels=1 last; 1 last=11k grs. of Wheat. Calcutta and East Indies, by weight. Constantinople..816 kilos=100 qrs. Denmark......21 barrels or tons = 10 qrs. Dantzic .......561 scheffels=1 last, or 101 qrs. France.......100 litres=1 hectolitre; 2 hectolitres 88 litres=1 gr.: 1015 kilogrammes = 2240 lbs. Groningen .. ... last = 10 qrs. Oats. Genoa...... $2\frac{1}{2}$  mini=1 qr. Galatz ...... 100 kilos = 143 grs.Hamburg......1 last=111 qrs. Wheat, Beans, and Peas: last of Barley, 10% qrs.; of Oats, 10% qrs. Hanover .....see Bremen. Holland......1 last of Wheat and Rye, 101 qrs.; of Barley, 101 grs.; of Oats, 101 grs. Ibrail. ......100 kilos=220 qrs. or 2221 qrs. Konigsberg .....see Dantzic. Leghorn.....4 sacchi=1 qr. Lisbon......2021 alquiras=1 qr. of 480 lbs.; 1 moyo=194 bushels: 60 alquiras=1 moyo.

Malta1 salma= $7\frac{7}{8}$ imperial bushels; 100 rottoli=175 lbs.; 101 salmas=100 qrs.—(Some calculate 102 salmas.
$Milan3\frac{1}{2} staja = 1 qr.$
Memelsee Dantzic.
Naples $5\frac{3}{6}$ tomoli=1 qr.
Neustadtsee Denmark.
Odessa100 chetwerts = 72 qrs.
Oportosee Lisbon.
Pillau,see Dantzic.
Palermo4 salma of 20 tumoli, or 5 salma of 16 tumoli = 5 qrs.
Petersburgsee Odessa.
Rostock1 last = 13 qrs.
Rotterdam see Holland.
Rigasee Odessa.
Stettinsee Berlin.
Smyrna8 kilos=1 imperial qr.
Sweden2 spanns=1 barrel; 18 barrels=10 qrs.
Spain 100 fancqas = 19\frac{3}{2} qrs.
Stralsund see Anclam.
Taganrog see Odessa.
Trieste3 stajos=1 qr.
Turkey816 kilos=100 qrs.
Venicesee Milan.
Vienna17 alquires=1 qr.
Wolgast,see Anclam.
Wismar1 last=13 qrs.
